A screenshot of a web browser window showing a course navigation menu and several open tabs.

The browser tabs include:

- file:///Users/averykleptach/Desktop/Fall%202024/busass/final/module_page_3/1.%20Business%20Analysis%20assignment.html
- Get line number in Elements
- 2678-2023 - Google Search
- whatis copy outer html - Go
- Business Analysis

The main content area displays a course menu for "Fall 2024".

Module 1: Systems Analysis and Designing an Age of Options

- Module 1: Instructions**
- Assignments**
 - Assignment 1: Comparison of Approaches**
 - Assignment 2: Visio or Citrix**
 - Assignment 3: Supplemental Reading and Exercise on SAFe**

Module 2: Identifying Opportunities for Business Transformation with IT

- Module 2: Instructions**
- Assignments**
 - Assignment 4: I2C2 Individual Exercise Action Diagram**
 - Assignment 5: WPL Group Action Diagram**

Module 3: Identifying and Documenting Key Concepts of the Domain of Interest

The sidebar on the left contains icons for various course sections:

- Fall 2024
- Home**
- Modules
- Grades
- People
- Course Videos
- Library Resources
- Zoom
- Panorama

A floating file preview for "Business Analysis.html" is visible in the top right corner.

A screenshot of a web browser window showing a course page from a learning management system (LMS). The browser has multiple tabs open, including Google Search results and a file download confirmation.

The LMS page displays a sidebar with various navigation links such as Home, Modules, Grades, People, Course Videos, Library Resources, Zoom, and Panorama. The main content area shows course modules and assignments.

Course Structure:

- Fall 2024**
- Module 3A: Data Modeling**
 - 3A: Data Modeling Slides**
- Module 3A: Modelling**
 - Module 3A: Instructions**
 - Supplemental Material: Context Diagram and DFD Development**
 - Examples of the Grocery Self Check Out that May Be Useful**
 - Process Slides that Go With External Text Book-2**
- Assignments**
 - Assignment 8: Individual DFD Exercise**
 - Assignment 9: Group Exercise Creating Context Diagram and Associated DFDs**
 - Turn in Critical Issue 1-3**
- Quizzes**
 - Assignment 10: Quiz on Context Diagram and Level-1 DFD - Requires Respondus LockDown Browser + Webcam**

File Download Confirmation:

A modal dialog box is displayed in the top right corner, indicating a file download named "Business Analysis.html" (1 B) has been completed. The dialog includes standard file operations buttons: a folder icon, a refresh/circular arrow icon, and a close button.

Bottom Right Corner:

A small circular inset in the bottom right corner shows a screenshot of a digital tablet displaying a portion of the course content, specifically the "Assignment 9" section.

A screenshot of a web browser window showing a course page from a learning management system (LMS). The browser has multiple tabs open, including Google Search results for "Business Analysis".

The LMS page displays a sidebar with various icons and links for Fall 2024, such as Home, Modules, Grades, People, Course Videos, Library Resources, Zoom, and Panorama.

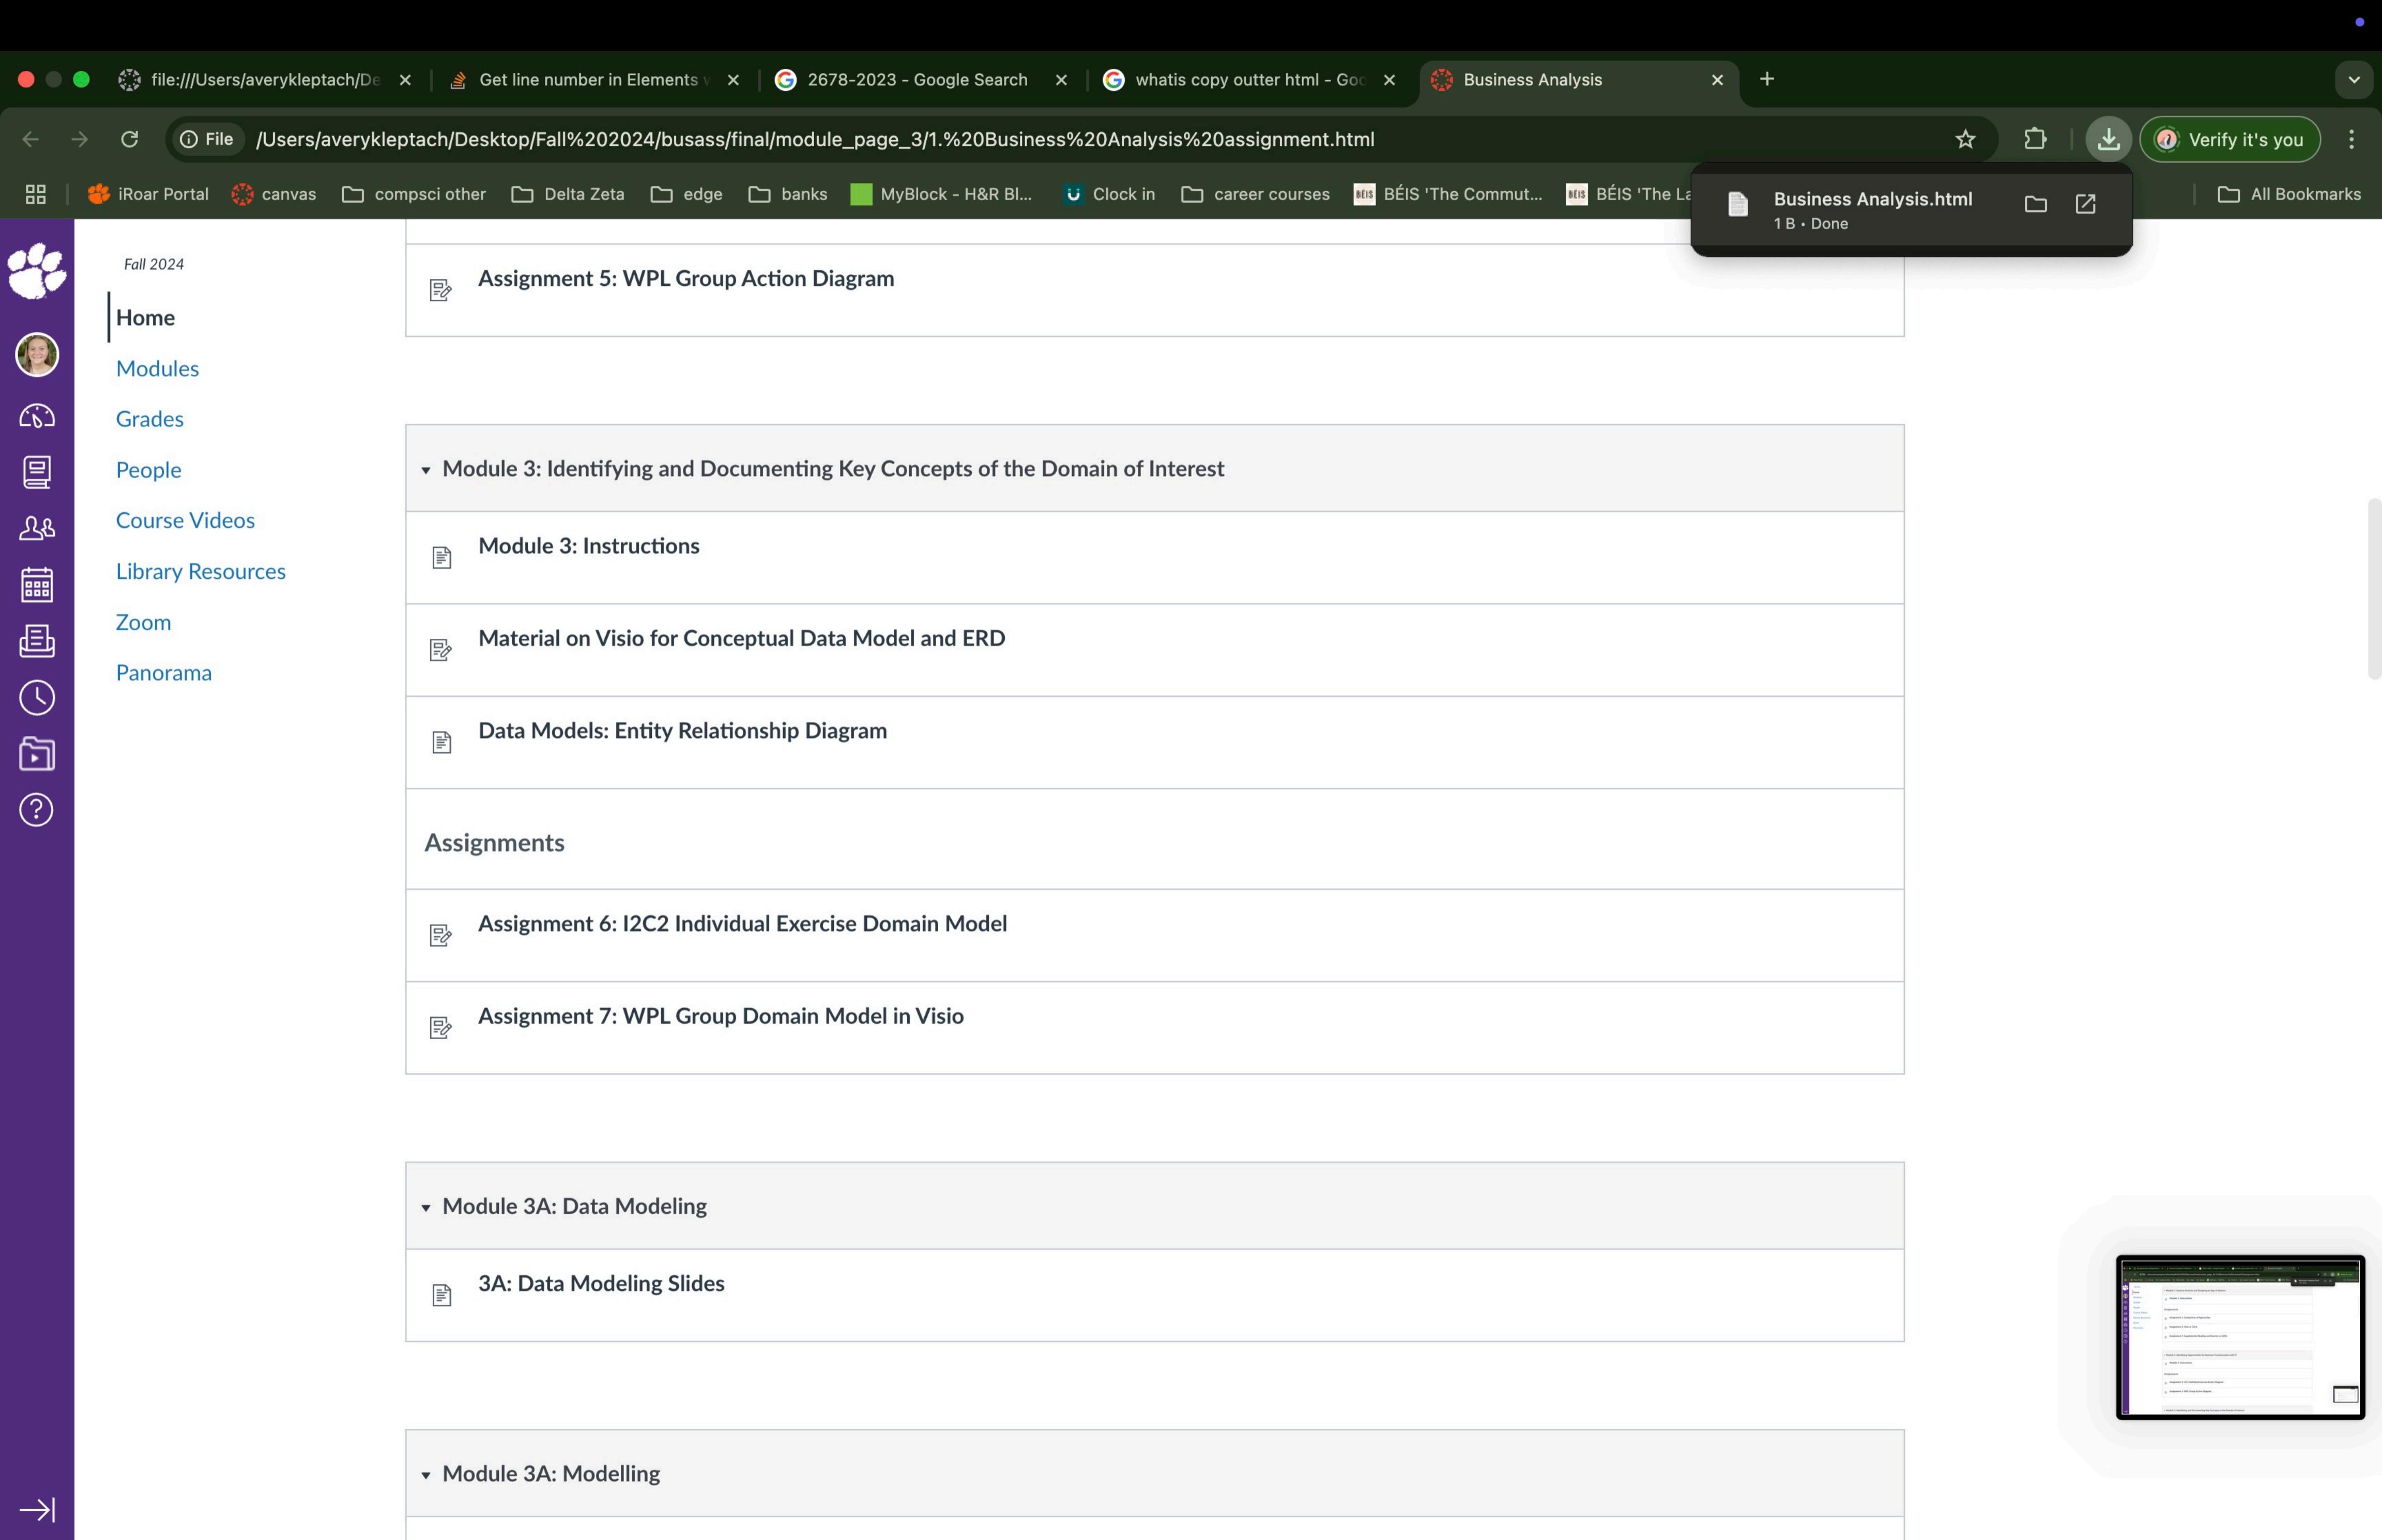

The main content area shows a navigation tree:

- Assignment 5: WPL Group Action Diagram**
- Module 3: Identifying and Documenting Key Concepts of the Domain of Interest**
 - Module 3: Instructions**
 - Material on Visio for Conceptual Data Model and ERD**
 - Data Models: Entity Relationship Diagram**
- Assignments**
 - Assignment 6: I2C2 Individual Exercise Domain Model**
 - Assignment 7: WPL Group Domain Model in Visio**

Below this, there are two more sections:

- Module 3A: Data Modeling**
 - 3A: Data Modeling Slides**
- Module 3A: Modelling**

A file download dialog is visible at the top right, showing a file named "Business Analysis.html" (1 B) with a status of "Done".

A screenshot of a web browser window showing a course management system interface. The browser has multiple tabs open, including Google Search results for "Business Analysis". The main content area displays course navigation links on the left and course modules on the right.

Left Sidebar:

- Fall 2024
- Home**
- Modules
- Grades
- People
- Course Videos
- Library Resources
- Zoom
- Panorama

Right Content Area:

Quizzes:

- Assignment 10: Quiz on Context Diagram and Level-1 DFD - Requires Respondus LockDown Browser + Webcam
- Exam 1 On Ch. 1-3 - Requires Respondus LockDown Browser + Webcam

Module 4: Articulating Future System Capabilities with User Stories and UI Models

- Module 4: Instructions**

Assignments:

- Assignment 11: Group UI Models
- Assignment 12: Group UI Models
- Additional Material on Data Gathering
- Assignment 13: Elicitation Deliverable on the Class Project

Module 5: Selecting the Optimal Project Approach

- Module 5: Instructions**

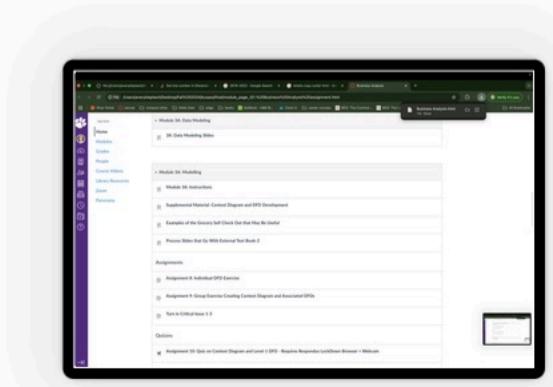

File Menu:

- File /Users/averykleptach/Desktop/Fall%202024/busass/final/module_page_3/1.%20Business%20Analysis%20assignment.html

Downloaded File:

Bottom Right Corner:

A screenshot of a web browser window showing a course management system interface. The browser tabs include "file:///Users/averykleptach/Desktop/Fall%202024/busass/final/module_page_3/1.%20Business%20Analysis%20assignment.html", "Get line number in Elements", "2678-2023 - Google Search", "whatis copy outer html - Go", and "Business Analysis".

The main content area displays a course structure with three main modules:

- Module 5: Selecting the Optimal Project Approach**
 - Module 5: Instructions**
 - Assignments**
 - Assignment 14: In Class Assignment PE 5-1**
- Module 6: Project Planning and Creating the Product Backlog**
 - Module 6: Instructions**
 - Assignments**
 - Assignment 15: Project Planning and Product Backlog Individual Exercise: PE 6-3**
 - Assignment 16: Group: Planning and Creating the Product Backlog**
- Module 7: Identifying Development Options: Selecting Implementation Approach and Determining Sources of Resources**
 - Module 7: Instructions**

A sidebar on the left lists course navigation links: Home, Modules, Grades, People, Course Videos, Library Resources, Zoom, Panorama, and Fall 2024. A purple sidebar on the far left contains icons for various university services.

A floating file dialog in the top right corner shows a file named "Business Analysis.html" with a size of 1 B and a status of "Done".

A small inset window in the bottom right corner shows a mobile device displaying a portion of the course content.

A screenshot of a web browser window showing a course management system interface. The browser tabs include:

- file:///Users/averykleptach/Desktop/Fall%202024/busass/final/module_page_3/1.%20Business%20Analysis%20assignment.html
- Get line number in Elements
- 2678-2023 - Google Search
- whatis copy outer html - Google Search
- Business Analysis

The main content area displays a course structure for "Fall 2024". On the left is a sidebar with icons for various course functions.

Assignment 16: Group: Planning and Creating the Product Backlog

- Module 7: Identifying Development Options: Selecting Implementation Approach and Determining Sources of Resources
 - Module 7: Instructions
 - Multi-Criteria Decision Making
- Assignments
 - Assignment 17: In Class Multiple Decision Criteria
 - Assignment 18: Multiple Decision Criteria Compare Library Information Systems

Assignment 16: Group: Planning and Creating the Product Backlog

- Module 8: Creating Use Case Narratives: When, How, and Why?
 - Module 8: Instructions
 - Process Models: Use Case and User Story Example-2
- Assignments
 - Assignment 19: In Class Assignment Use Case Narratives
 - Assignment 20: Group Assignment Use Case Narratives

A floating window titled "Business Analysis.html" shows a list of assignments:

- Module 7: Identifying Development Options: Selecting Implementation Approach and Determining Sources of Resources
 - Module 7: Instructions
 - Multi-Criteria Decision Making
- Assignment 17: In Class Multiple Decision Criteria
- Assignment 18: Multiple Decision Criteria Compare Library Information Systems

A small inset window in the bottom right corner shows a screenshot of a software application interface related to business analysis.
